JOU 305	Science in the Media	3		
LDR 300	Foundations in Leadership	3		

Students should choose a minor. Depending on students' areas of interest, they are encouraged to select a minor that will complement this major and strengthen their skill set. For example, if a student has an interest in video production related to health communication, a minor in Electronic Media and Broadcasting would be appropriate. Students are encouraged to work with their advisor to choose a minor. In some cases, the electives chosen above may also work toward the minor.
